Experience

MAY 2018 - PRESENT

Freelance Designer & Developer

TRAN DUY LOAN Sprl

In 2018, I took the decision to create my own company and start working as freelancer in front-end development, web design & graphic design. Take a look to my portfolio loantranduy.com.

MAY 2018 - MAY 2019

Freelance Front-end Developer

Van de Velde | Gent, Belgium

Working closely with designers, implementing pixel perfect web designs. The challenge was to develop one template aimed at three different Van de Velde-owned brands. "Marie Jo", "Primadonna" & "Andres Sarda".

OCT 2017 - MAY 2018

Interactive Designer

Hackages | Brussels, Belgium

I was responsible at all creation steps of the platform. Brainstorming, wireframing, designing & developing new innovative features and proof of concepts according to project requirements.

SEP 2017

Intern Interactive Designer

Hackages | Brussels, Belgium

Working in pair with the lead designer to improve the current design of their website and their whole brand identity. Business cards, stationery design, powerpoint, ...

MAR 2017 - APRIL 2017

Intern UX / UI Designer

Arkam | Mons, Belgium

Logo creation, brand identity, CMS customization for a wide variety of clients

JANV 2016 - MAR 2016

Intern Graphic / Web Designer

Elle Belgium Magazine | Lasne, Belgium

Designing leaderboards, banners, social media content and editing the magazine layout.
